social network for [DT] new school students

Assemblages are not governed by any central head: no one materiality or type of material has sufficient competence to determine consistently the trajectory or impact of the group.”

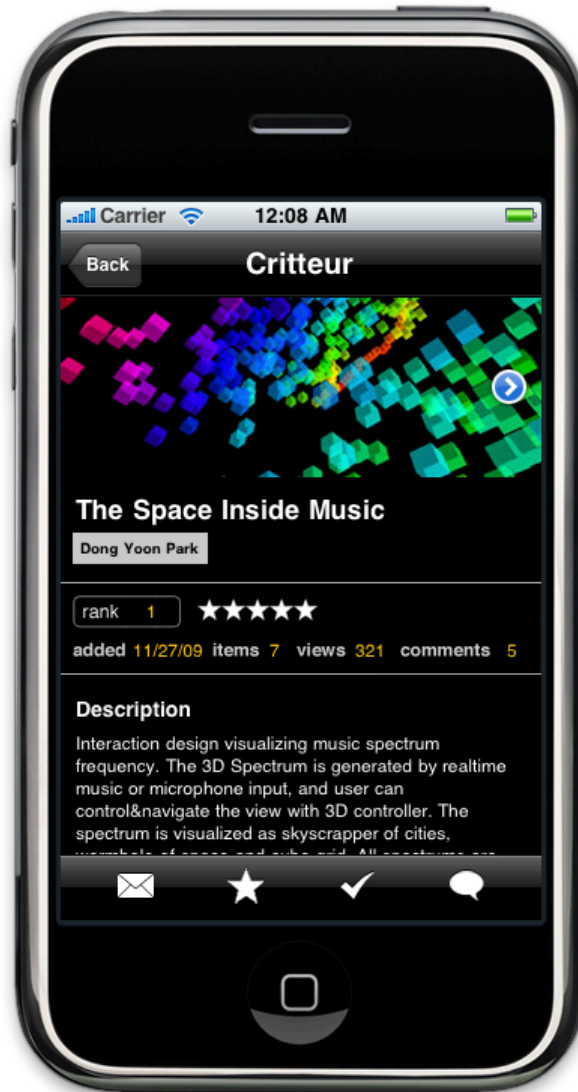

Jane Bennett – vibrant matter

newstudio.io

A video player interface. The video content shows a 3D isometric cube with a white face and black faces, similar to the logo in the top left. The video player includes a calendar icon showing "OCT 6", a play button, a settings gear, and a share icon. The video title is "Publication Study" from nima behravan, posted 2 months ago. The video duration is 03:51. The video description is "Major Studio I (One Subject) Many Projects Parsons The New School for Design".
