

This is a photo of the costume and fashion designer Adrian. He is also known as Gilbert Adrian, although he was born as Adrian Adolph Greenberg. The photo comes from the Fashion and Model Directory. The page discusses how Adrian was vital in creating Hollywood as a center for glamour in the 1930's, designing costumes for 250 films including *The Wizard of Oz*. He created iconic looks for actresses like Joan Crawford with her broad-shouldered suits and dresses.
