
Perspective

Drawing and Imaging, M. Vote

The New School

October 11th & 13th

Overview and Objectives

Using the Symbols created in Illustrator in the prior project create a multi-figural composition in 1pt Perspective using the Perspective Grid Tool.

Activities

1. Create a Tiled Ground Plane (Use the Perspective Tool) on an Art Board of 8" x 16". With the line tool Create a "Corridor of Convergence". Also Make a Horizon Line with the line tool

2. Find and use the symbol(s) created last week. Place one figure in the foreground in the "Corridor of Convergence" .

2. Scale the figure multiple times, each one getting smaller as it converges back in space towards the Vanishing Point.

SAVE, THEN CREATE A NEW PLATE TO WORK WITH.

Recreate ground plane with perspective tool.

3. On a new Art Board, change the placement of figures with the goal of creating a balanced composition.

4. Add, subtract and replicate figures how ever need be. Break symbol links and alter **adding values**.

5. Change **value** of ground plane and or background.

6. Make reference to atmospheric perspective by allowing the darker figures to come forward and the lighter smaller figures to recede.

7. Save as PDF then Print and present **Two Versions**.

- **Embellish** one with added materials. Introduce materials and elements of **TEXTURE**, through repeated hatching of line repeating dots and collaged papers. Further explore **VALUE** through pencil, charcoal and or ink.
- The original one created in Illustrator will be shown next to the embellished version

8. Mount both on Bristol Board with a 1.5in border.

Materials and Methods (but not limited to)

Sketch book, Laptop, Illustrator, Printed final image. (Tuesday) ink, pens, pencil, charcoal etc

18x 24in Newsprint Paper (Thursday- MODEL)

Other Resources

Presentations on Perspective: Artists of the Renaissance

Evaluation

Present your projects along side computer and sketchbooks.

Save and show initial "Corridor of Convergence" ai doc.

Two versions: Printed Version w Materials added and Original

The first plate is Due: Thursday October 13th

The second plate (**texture**) is due: Tuesday October 18th
