Sustainable Systems

Eleanor Torres

# Uline - Shop Stool

- Steel
  - Manufactured overseas
  - Recyclable indefinitely
  - Burns fossil fuels – CO2 emissions
- Uncomfortable for sitting long periods of time
- Run by Conservatives – Not for climate change action

HoneyComb Stool

# Steel Manufacturing

Iron + Coal + Raw  
Materials

CO2 emissions  
Cokeing Coal  
Water Waste from Cooling

Fossil Fuels

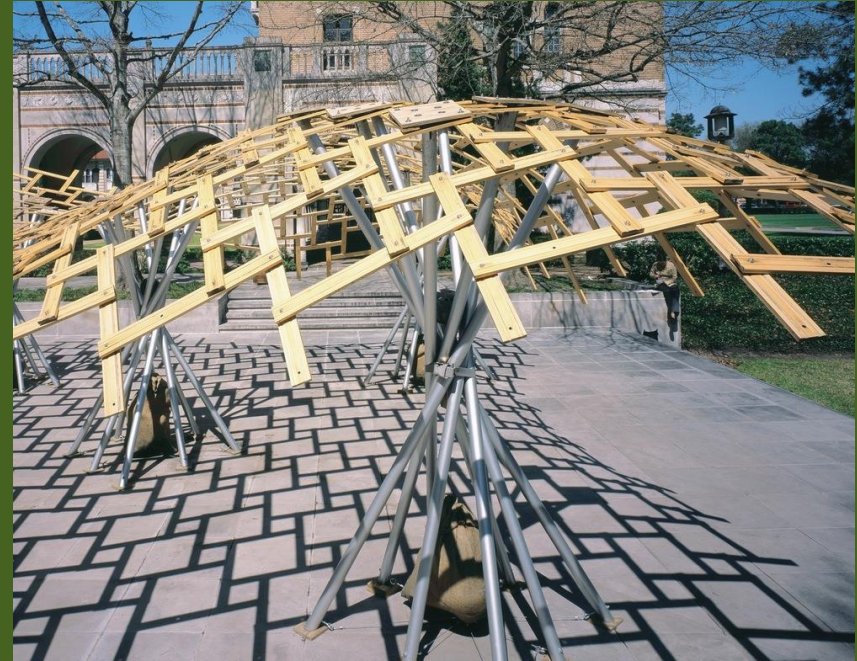

Labor  
(Outsourced)

Transportation  
to United  
States

Uline Metal Stool

# Bamboo
