

# The Talk Of Shame

Elizabeth & Devin

# Setting: Diner

- Gathering background noise at the dinner to edit into our video
- The setting was chosen based on a classic breakfast spot for hangover stories

# The Characters

- Chris
- Chris's good friend
- Chris Coworker

We will explore the difference between these relationships and how much transparency will be involved between each

# Exploring Priviled v.s. Public Relationship

- Nic Names
- Text Message groups
- Seeing people outside work setting
- Inside jokes
- How you dress
- Competitiveness in the workplace
- Superior complex
- Level of respect
- Taking things Personally

How does this all differ ? Why?
