Barbara Kruger

Biography

Born in 1945, Barbara Kruger is an American conceptual artist and collagist. She studied Art and Design at Parsons School of Design in New York.

Artistic Concept

Combination of black and white images with red writing thought the use of imperative statements, interpolating viewers through statements. The placement of the works often determined the context and meaning of these ones.

On Kawara

Biography

Japanese conceptual Artist that lived in NYC for a good part of his life since 1965, where he died in 2014. Despite studying Art for 3 years in Mexico, he spent most of his time travelling the world.

Artistic Concept

'Today' series, 1966. Conceptual art rejoining important events through dates on simplistic backgrounds + layout. Some pieces are features with pieces of evidence (eg. newspaper).

Daniele Pupili

Biography

Born in Puglia, Italy in 1971, Pupili found his passion for sculpture at a very young age. After getting his degree in Sculpture at the Accademia di Belle Arti di Brera, he settled in Milan where he still works today.

Artistic Concept

Working with stone, plaster, paper and wood, his work often recalls the juxtaposition between the recreation of nature and movement - random, chaotic and ordered at the same time.
