

Plaster + Plexi → Materials

Ideology - against discrimination and degradation of any human being

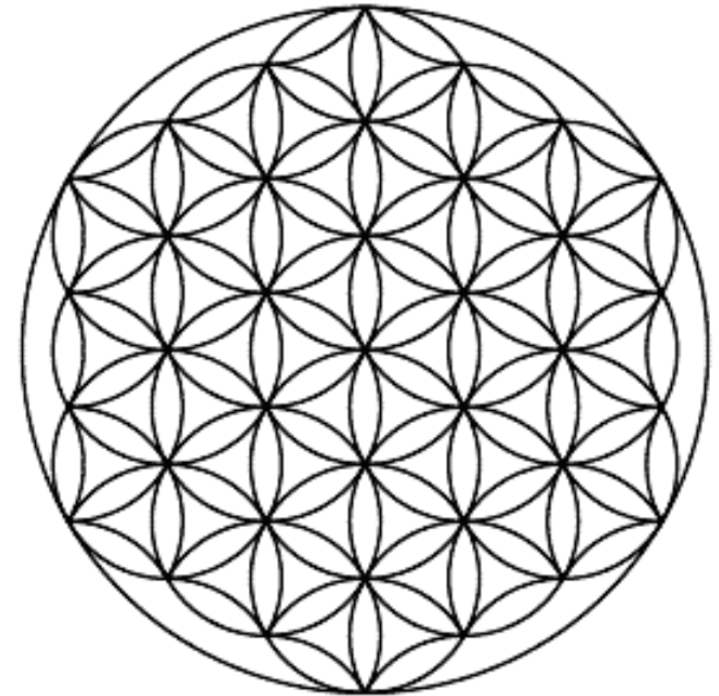

Concept - we all come from the same place and return to it too (the Earth)

Physical - a root growing from the ground, flowering

Overlapping Circle Grid - "Flower of Life"

- circles overlapping to create flower
- round, organic
- inspiration for plexiglass in the center and the circle shape of the monument

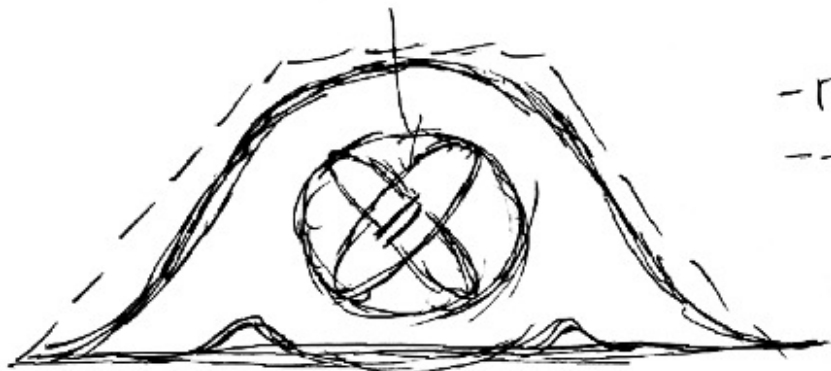

Plant Sproutling

- grows out of the ground
- inspiration for the way the structure comes out of the ground
- nature
