

Filter Your Feelings...

with the all new Un-Mood Ring!

A

Amethyst boosts memory and helps one to connect to the spiritual realm

B

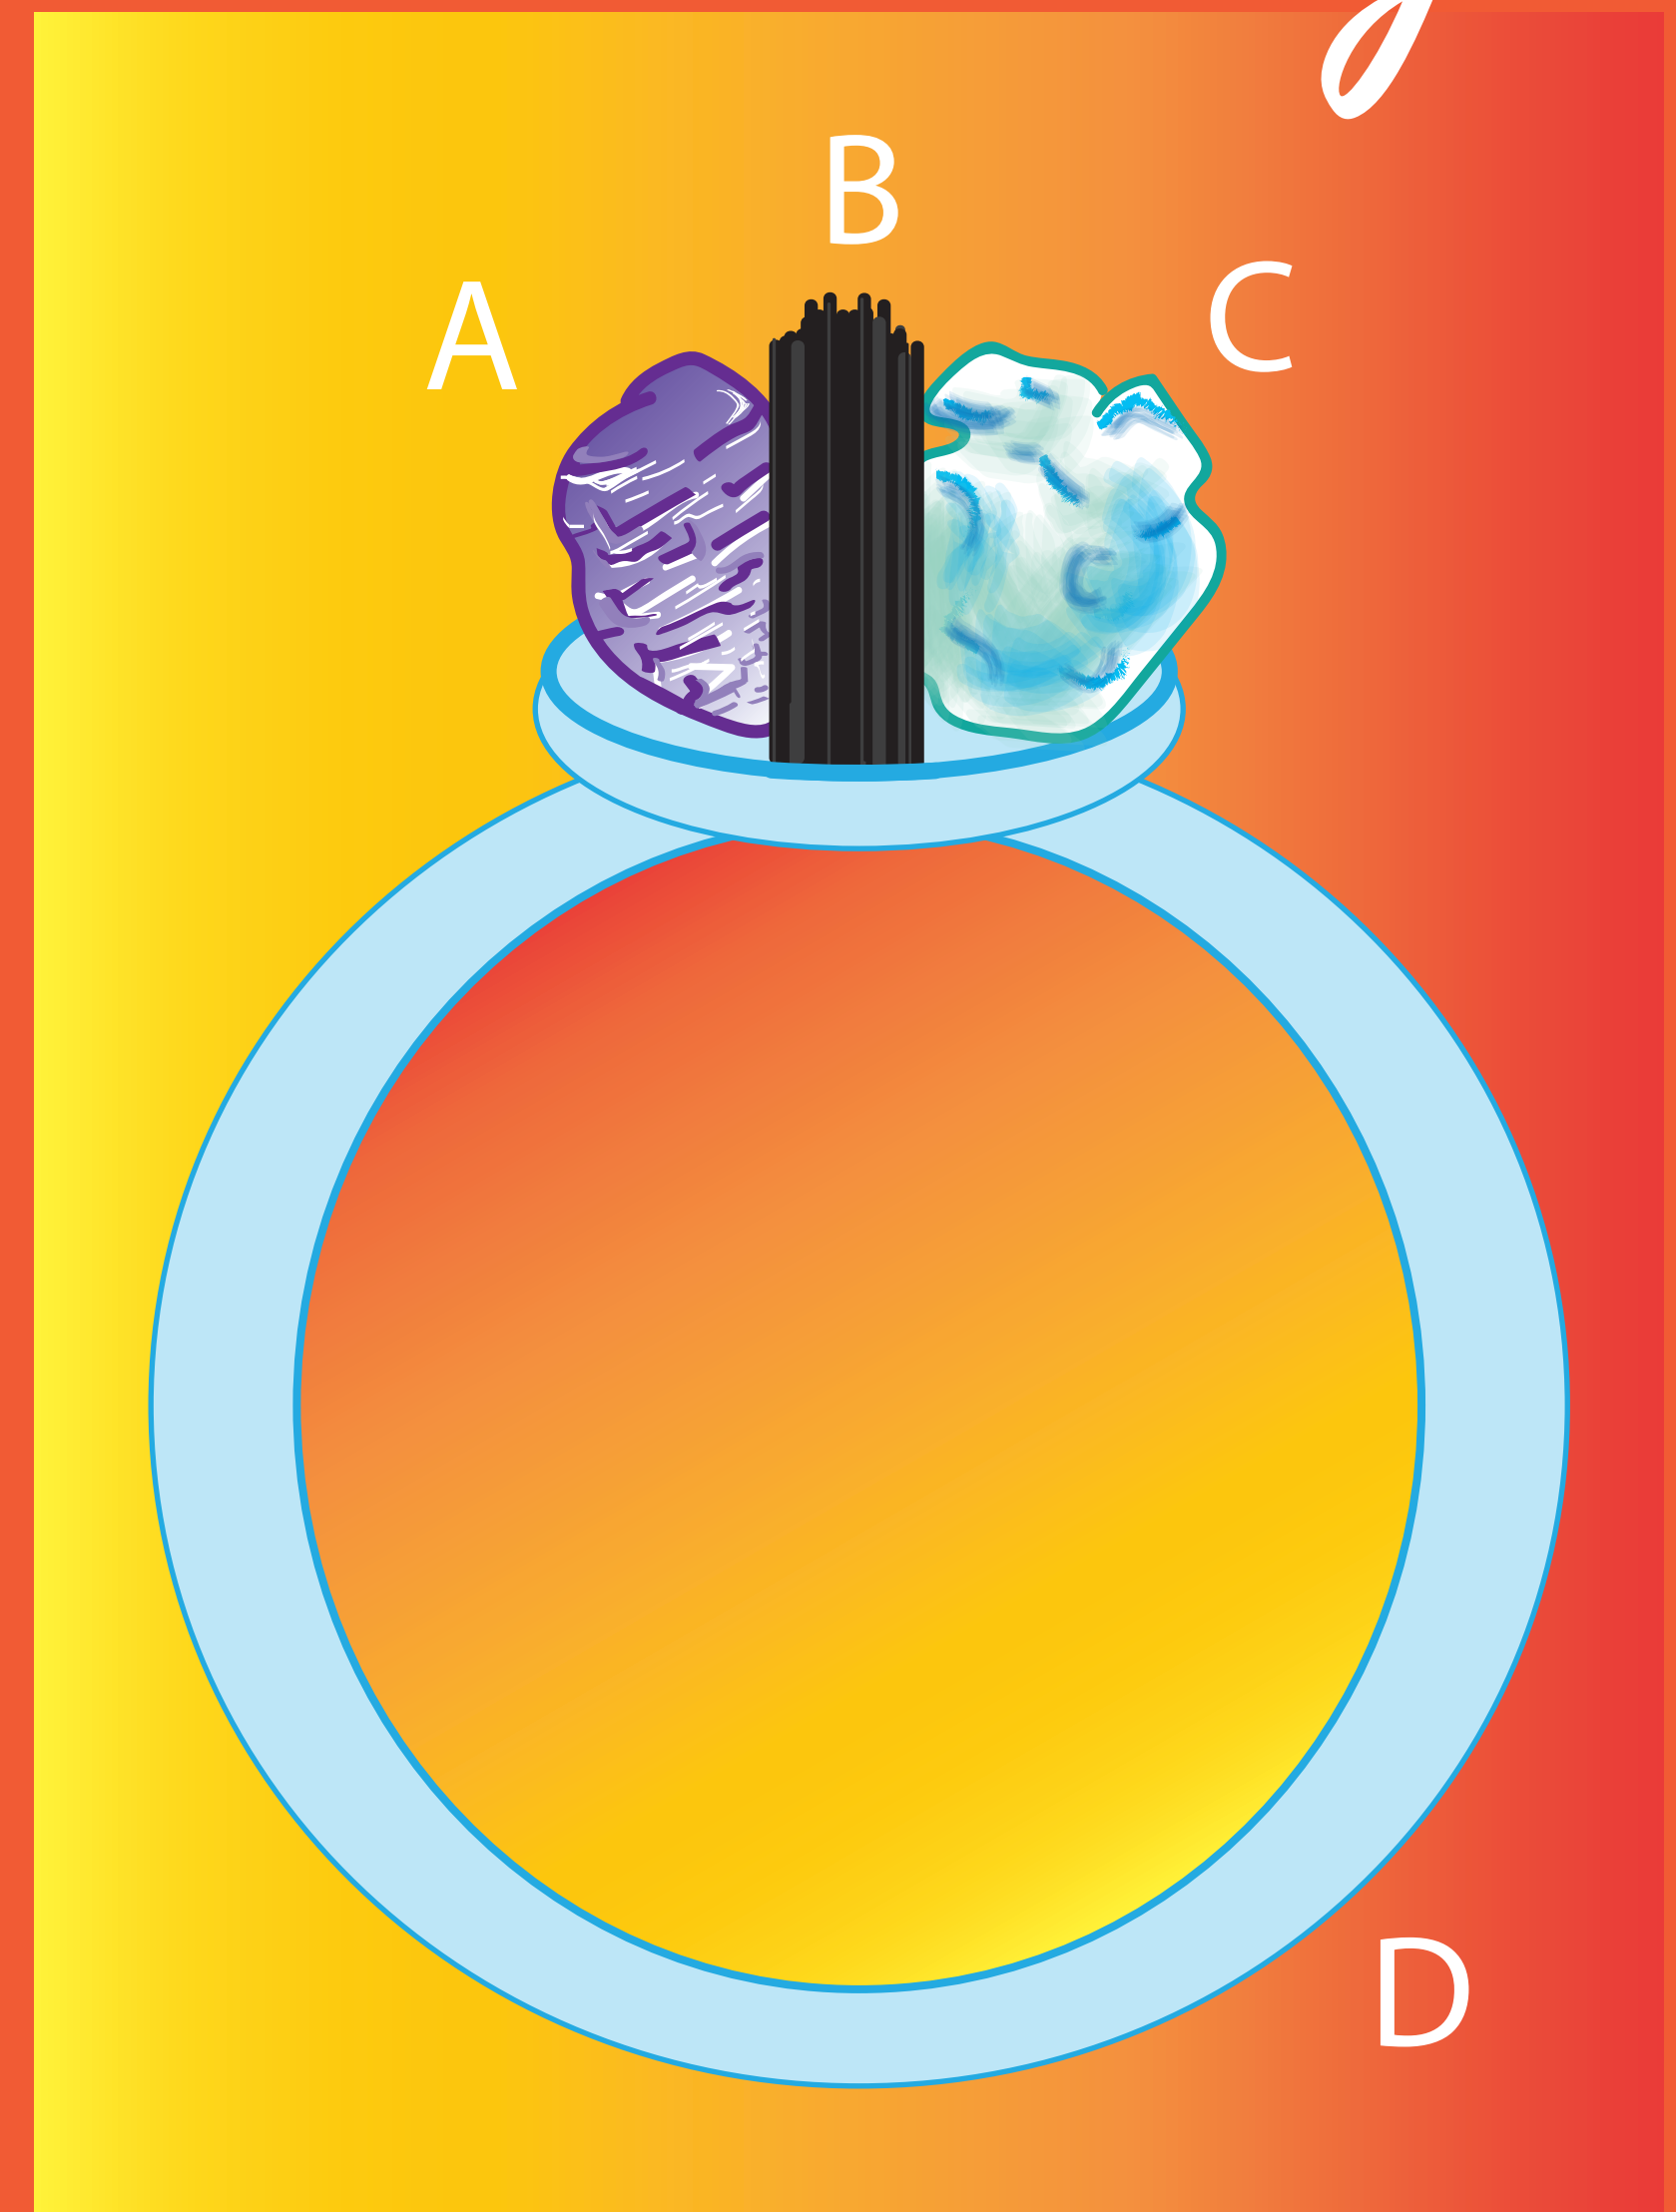

Black Tourmaline acts as a shield between the wearer's energy and external energies

C

Fluorite absorbs energies that others put out and helps increase personal clarity

D

sterling silver is the most durable silver and is considered a very magical metal

tired of your empathic powers stressing you out? try the Un-Mood Ring

Each ring has 3 mm Amethyst, 3 mm Black Tourmaline, and 3 mm Fluorite set in sterling silver bands sizes 5 to 7 with a width of 4 mm - giving you the perfect bit of magic to cast away that negative energy
