

In September 2012, we announced that Instagram had been acquired by Facebook. We knew that by teaming up with Facebook, we could build a better product, but we didn't know how. We've been able to share insights and information that you didn't have before. We've been updating our privacy policy to make sure you understand what we're doing with your photos, and we've been adding new features to help you connect with people you care about.

Our new privacy policy
 In 2011, to help you better understand how we use your information, we updated our privacy policy. We've been updating our privacy policy to make sure you understand what we're doing with your photos, and we've been adding new features to help you connect with people you care about.

Instagram
 Instagram provides a fast, beautiful and fun way for you to share photos and videos with friends and family. We've been updating our privacy policy to make sure you understand what we're doing with your photos, and we've been adding new features to help you connect with people you care about.

Facebook
 Facebook provides a fast, beautiful and fun way for you to share photos and videos with friends and family. We've been updating our privacy policy to make sure you understand what we're doing with your photos, and we've been adding new features to help you connect with people you care about.
