

1992-1993

"On the English side we have tailoring and an easy charm, on the French side that solidity of design and proportion that comes from never being satisfied because something can always become more Refined." [1]

- Vivienne Westwood.

"Every time she speaks to me
I feel like we're in a conspiracy.
It's so intimate that you just
want to know what you're going
to be doing together."
