

Mid Semester Presentations 6 Slides, 6 Minutes

As we approach the mid-semester **each of you** will for the **first time will present to the class** a summative statement on the work done thus far.

The objective is to be clear and concise. Drawing from your prior efforts and current thinking.

1. Your Name Project Title | Acronym and Subtitle or one word, one line or sentence tag line to describe the project
2. Overview of the path you have taken to get to this point. (highlights)
3. Project Topic | Overview or Landscape-describe with as little bias as possible. and how you connect to your topic.
4. People | Experts (list names, titles, contact info)
5. Visualize | At least one | Stakeholder, Persona, Focus, or whatever suits you.
6. Resources (list by #, Name, Summarize source, and links to content)
