

Milestone 2 Presentations 6 Slides, 6 Minutes

You have 5 weeks until final submissions are due. Plan on stopping your research and focusing on completion by

Dec 3, to allow time to assemble your final submission,

This is an opportunity to show your progress and to get feedback from several of our guest critics. The emphasis at this stage is on several key indicators.

1. **Topic:** A more serious insightful understanding that is **clearly stated. What, why, who, how?**
2. **Guiding questions** that frame your inquiry
 - In what ways does mood have an impact on fashion choices?
 - How do these choices impact mood"
 - In what ways does gender programming have an impact on confrontation in the workplace.
 - How do men and women react in the same circumstances?
 - Do rituals connect us with our culture and add order to our lives?
 - How do rituals impact the quality of life and health?
3. **Visualizations**
4. **Overview of the path you have taken to get to this point. (highlights)**
5. **Methods in progress and planned with the remaining time.**
