Visual Essay

What all of these items share is that they all caught my eye.

Perhaps it is because they all have either bright color or shiney surfaces. Maybe it is because they are all items I

have used at some point. Each object I found is not disposable. They will all be kept by me and I will not throw

them in the garbage. I enjoy the aesthetic of each object

and find each one beautiful.

Cactus. Rubber texture. Three dimensional. Green. Yellow. Made in China. Used to erase pencil. Used for aesthetic purposes.

Key. Metal and small. Silver color. Hole on top. Used to lock something or open something.

Small and flat. Two holes on either side.
Shaped like a gem. Silver and Clear. Bead.

Small and pink. Bead. Has many sides yet is round. Used for decorating. Pleasing to look at.

Small bottle. Balenciaga label. Clear glass.
Black label. Used to hold something. Per-
fume sample bottle.

Bracelet. String of beads. Letters on beads. Yellow, clear, and silver beads. Clasps on the end.

Round with many materials. Many textures. A piece of machinery. Metallic. Small.
