

Be prepared for unexpected mishaps like people bailing
 "I felt like I could've been warmer in the moment and I'm sorry about that."

You are not your thoughts
 "...everything seemed so promising and now I am dissatisfied."

Your current strength will make action fruitful
 "The professor is just as we thought...amazing"

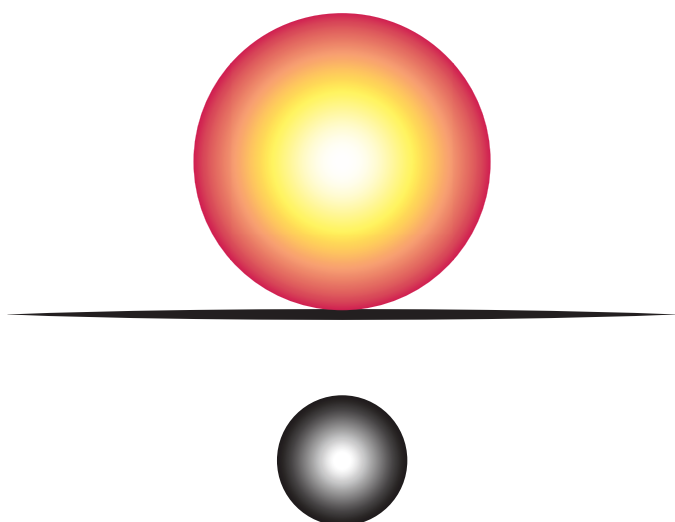

Don't look for an excuse to pickup drugs, call that person who never makes you feel good, or damage yourself in any other way.
 "Yet again I am in pain due to sexual activities semi enjoyed. This time was a real kicker."

Resolve tension so that you can alter your subconscious
 "Hey I just wanted to let you know things should be quieter than usual."

Emotional insight and self-awareness is predicated on understanding all your feelings
 "...and after all that I felt so content."

It may feel frustrating to get to the bottom of things
 "It didn't happen, as I predicted."

You are not looking for compliments, just recognition of your efforts and talents
 "Thank you for talking and getting me to open up, as I don't think I would have taken that route otherwise."

Be open to new opportunities
 "...if you feel weird about it I understand why; It's all good but thanks for checking in anyways, it was very thoughtful."

Connections: Astrological Predictions and their Counterparts.

Try to cultivate authentic interest and care for others today
 "I texted her back: ...I don't want to have to ask for your effort or interest; I think that's exactly what she needs to hear."

Now is not the time to be selfish in love
 "I must really be craving a friend to settle for this."

You have the energy to heal yourself
 "I think after so long of frantic non-stop thought I am finally better...I'm back to understanding myself, and I am familiar again."
