

**EVERYTHING
HAS
BEEN
DONE**

Design

for

designers

(whatever that means)

modernism

modernism

modernis

modern

mode

mo

n

not an unfinished project, but an unending one.

THE FACT

**That you are busy doing design
doesn't mean you are a designer,
anymore than the fact that
you are busy cooking makes you a chef.**

SELF - DEFEATING SYSTEM

For Making Meaning

The design is not

SIZE

MEDIA

SITE

Specific

It
should
come
as
no
surprise
that
in
our
saturated
information
age,
information
itself,
or
more
specifically,
raw
data,
would
be
fetishized.

**THE
LATEST
AND
LAST
THING
TO
DO?**

Nothing.

Critical thinking
and organizing
data visually
into useful information
is something most
educated people
can master.
