

Object	Materials	Is it recyclable or landfill? R or L	If recyclable, did you recycle it? If not, why?	Notes
SweetGreen Paper Bags	Mostly Paper	R	I recycled it.	
Whole Food Paper Bags	Plastic, Paper, alluminum	R and L	I put them all to the recycle bin.	It is hard to separate different type of garbage.
Paper Tissue	Paper	R	I recycled it.	
Egg shells	Organic stuff	L	I threw it along with paper bags. So I recycled it...	
Electronic Product Case	Plastic	L	Idk. There is only one type of garbage bin around the Union Sq. So I just threw it in.	
Glass bottle	Glass	R	Yes I put it in the recycle bin.	
Half Eaten Apple	Organic stuff	L	I don't care about this, it is biodegradable anyway.

Chewing Gum	Plastic???	L	No. I threw it along with the paper wrapping it up.	
Water Bottle	Plastic	R	Yes. I think most of the water bottles are recyclable right?	
Coffee cup	Paper	R	Yes.	
Receipt	Paper	R	I forgot, there are just too many of them...	
Game design ideas	Binary digits	R	I put it in the 'Recycle Bin' of my computer. I can recycle it if I want it later.
