Topic

I am studying classism in fashion

Question

Because I want to find out how to combat social injustice.

Significance

In order to help my reader understand how to coexist better with other people.

Topic exploration- classism, fashion

Questions

- Is the fashion industry inherently classist?
- How do we as a consumer-capitalist society perpetuate classism?
- What is classism?
- How do we change the ways we let classism affect us?
- What is the effect of fashion classism in low income areas?
- Does classism intersect with other social environments or constructs (race, gender, etc)
